Claim your FREE Fingerprint Scanner

Nothing compares to

Internorm®

uk.internorm.com

We are giving away a FREE Fingerprint Scanner worth over £450 with every Entrance Door* purchased.

Your Finger is the Key!

Never forget your keys again with our integrated finger scanner.

With the control unit securely integrated within the door sash, a simple scan of your fingerprint is all that is needed to open your door.

*Offer applies to AT 310, AT 400, HT 400 and HT 410, ekeyAR only. Used in conjunction with electronic latch and/or motorised lock. Valid 01/01/21 – 31/12/21.

Design your own front door quickly and easily

Use our bespoke door designer for a fast and free visualisation of your dream door.

With the Internorm online door designer, you can create a luxury entrance door that is tailored to suit the architecture and decor of your property. With an incredible range of profiles, colours and finishes to choose from, our Internorm door designer will help to bring your bespoke entrance doors to life.

You can even upload an image of the front of your house and see what your chosen door will look like in situ.
